 of fun this summer
 and stay out
 of trouble.
 Best of luck in

FORGET OUR
CHEMISTRY CLASS,
YOU, PREMARITAL
SEX AUTHORITY

Suzie; It's really been
cool this year despite
your presence. We had the
coolest time in Chemistry
although Virge bored the
hell out of me, you, Jan, John
the wall, the clock, everything
for all the cuts that you
have unmercifully thrust
upon me you shall spend
some time in a warm climate.

It's a wonder we didn't
get caught by Virge more
often because of your big
mouth. Seriously though,
if I've ever made you
mad by my cuts I'm
sorry but it was only a
few. (Take out) THANKS FOR
ALL the room you left me!

Suzzy.
 When I met you
 at the swim meet
 I thought you were
 strange. I know you
 are! But remember
 we always have fun this
 summer, but don't get
 caught! Remember I
 love you and always
 of who I live if you
 read this as R M Monday
 Let's go riding this
 summer? OK. See you
 next year!

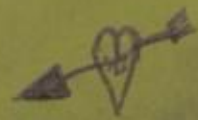

Suzie,

We're almost Seniors. It's been a great time in school and I'll be glad to be through high school, but then we'll all split and go our own way. Keep that smile on your face and always be the same person you are now. Have a blast this summer, but don't get caught at it.

Love ya,
Annis

Muzee,

Well... it's been fun,
a lot of twiddle, & sometimes
little pain. But thanks
for all of it. 'Begood &
I'll see ya some this
summer.

Suzie,

I guess you know by now that the year is almost over! I wish that you were coming back next year, but I'm sure you're glad you're not. You know I'm very glad that I talked to you that one time on the phone. I never realized that we had some of the same ideas and opinions. I'm sorry I waited so late to ask you to be on my campaign. I guess the Lord just didn't mean for me to win the election. I hope as you go through "life you will remember life is not a bed of roses there are many thorns!" Good luck with your ~~Sa. Remember the Wrestling match we went to? If
you hadn't gone, I never would have dated Ron.

We've
had a
lot of problems,
things that
were per-
sonal;
things that
changed
our lives.
Ronne
changed
me;
Dear yours
All the
late night
calls,

making the cake for the Raiders last summer;
Myrtle Beach; John; Dale; my date with
Randy & what happened! Remember drinking
my graduation present?
The only thing we haven't done is
double! Our jobs are part of our life!

But a job
won't interfere
with our friend-
ship. These are
things I could
only tell you —
because no
one would
understand!

Remember
when I thought
I was "sick"?
Xmas was
another time.

I thought sure you
would hate me be-
cause I fell for
Bobby, but I'm glad
for what's happened. I
mean I don't have
Bobby yet, but let's face

it, if you had Bobby, you
wouldn't love Dean, right?

Remember the stationery?
The day we made sandwiches
with Bobby, Joe & Johnny.
I'm happy that Joe is
better! God must love him to make him well!
And he must love me to have given me Bobby,

care for Ronnie,
& not be
ashamed of
what's happened!

All the
times we
went horse-
backing & to
Shoney's was
fun.

Remember
Mike Turner
& P.J.? I

wish we could have dated them!

The times in the sun! Wow - Baby Bunn!!
all the long walks!

I guess I should close; there's lots more,

PEOPLE

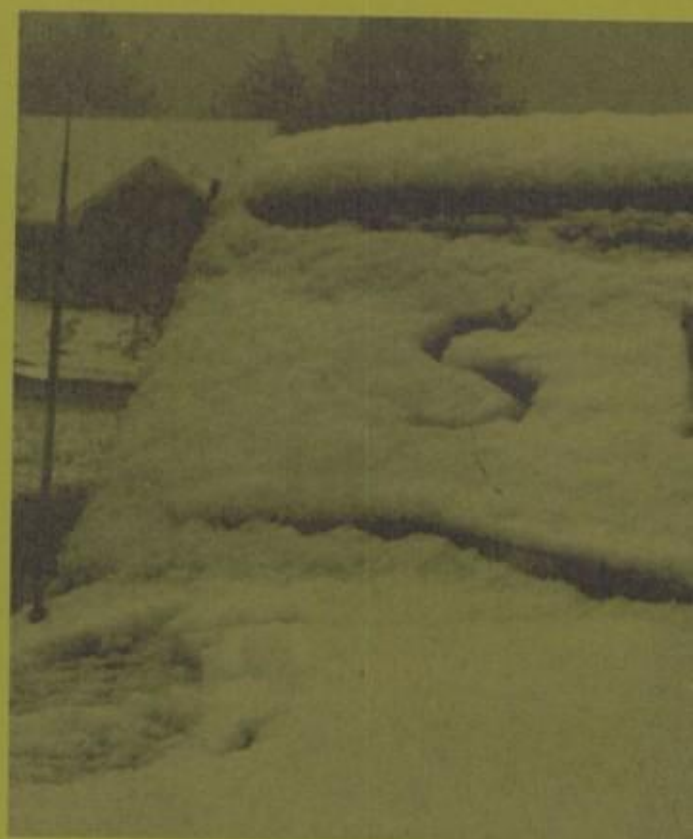

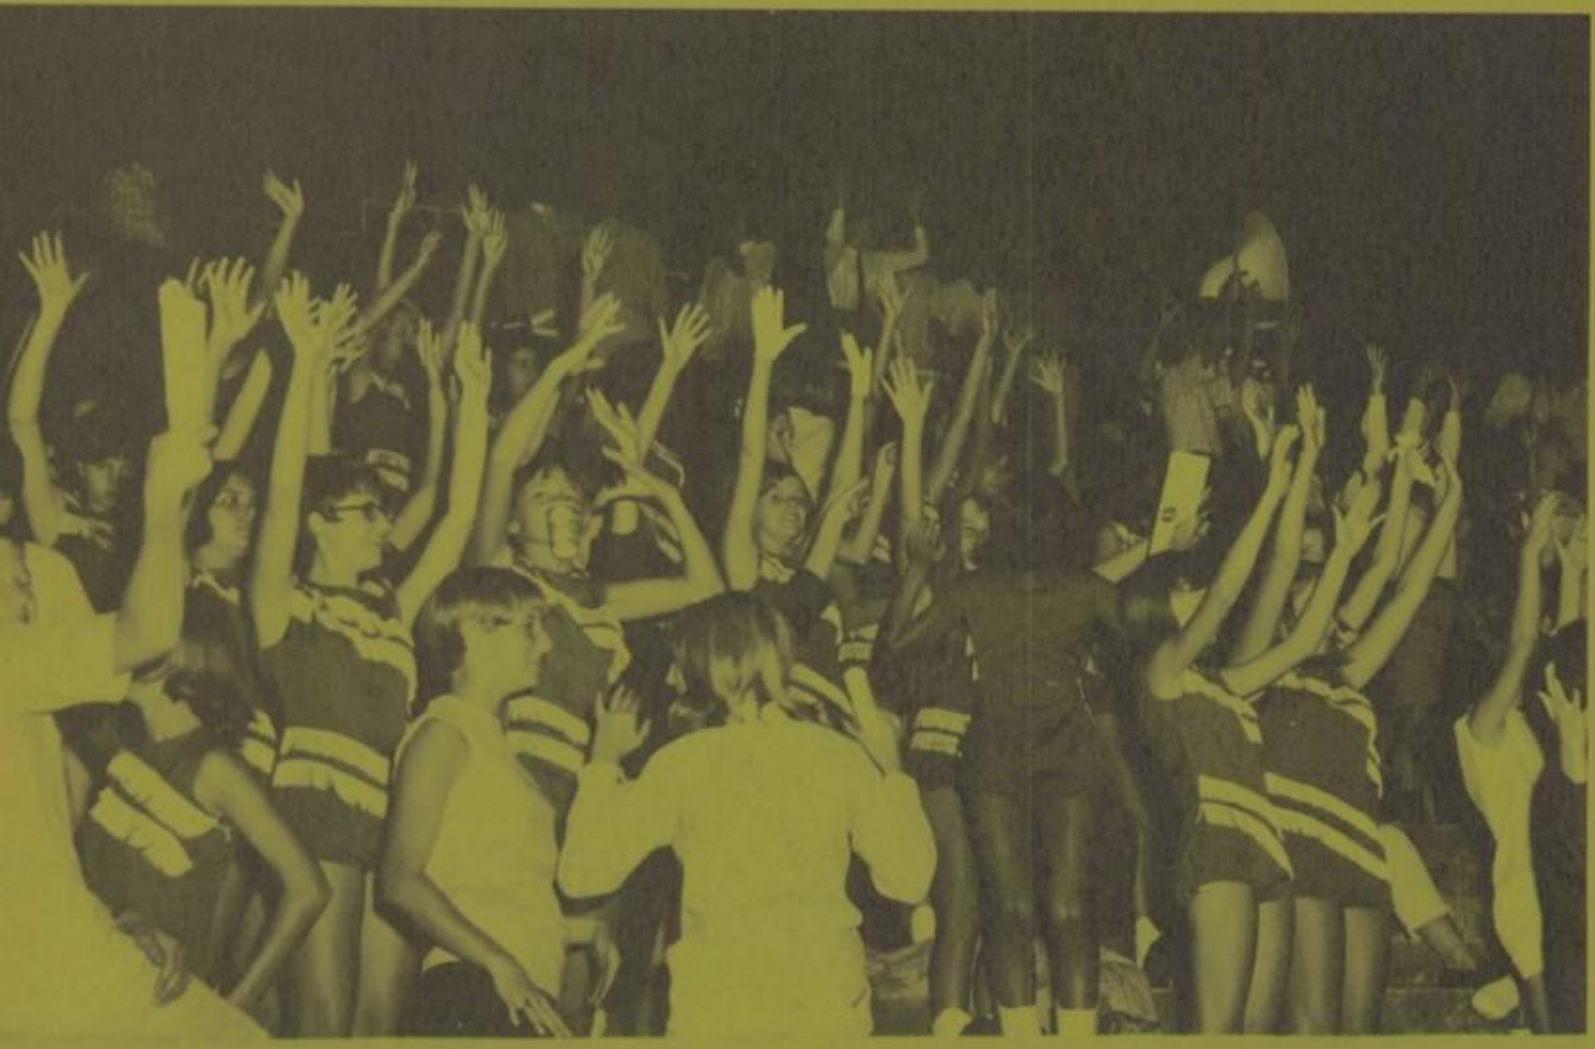

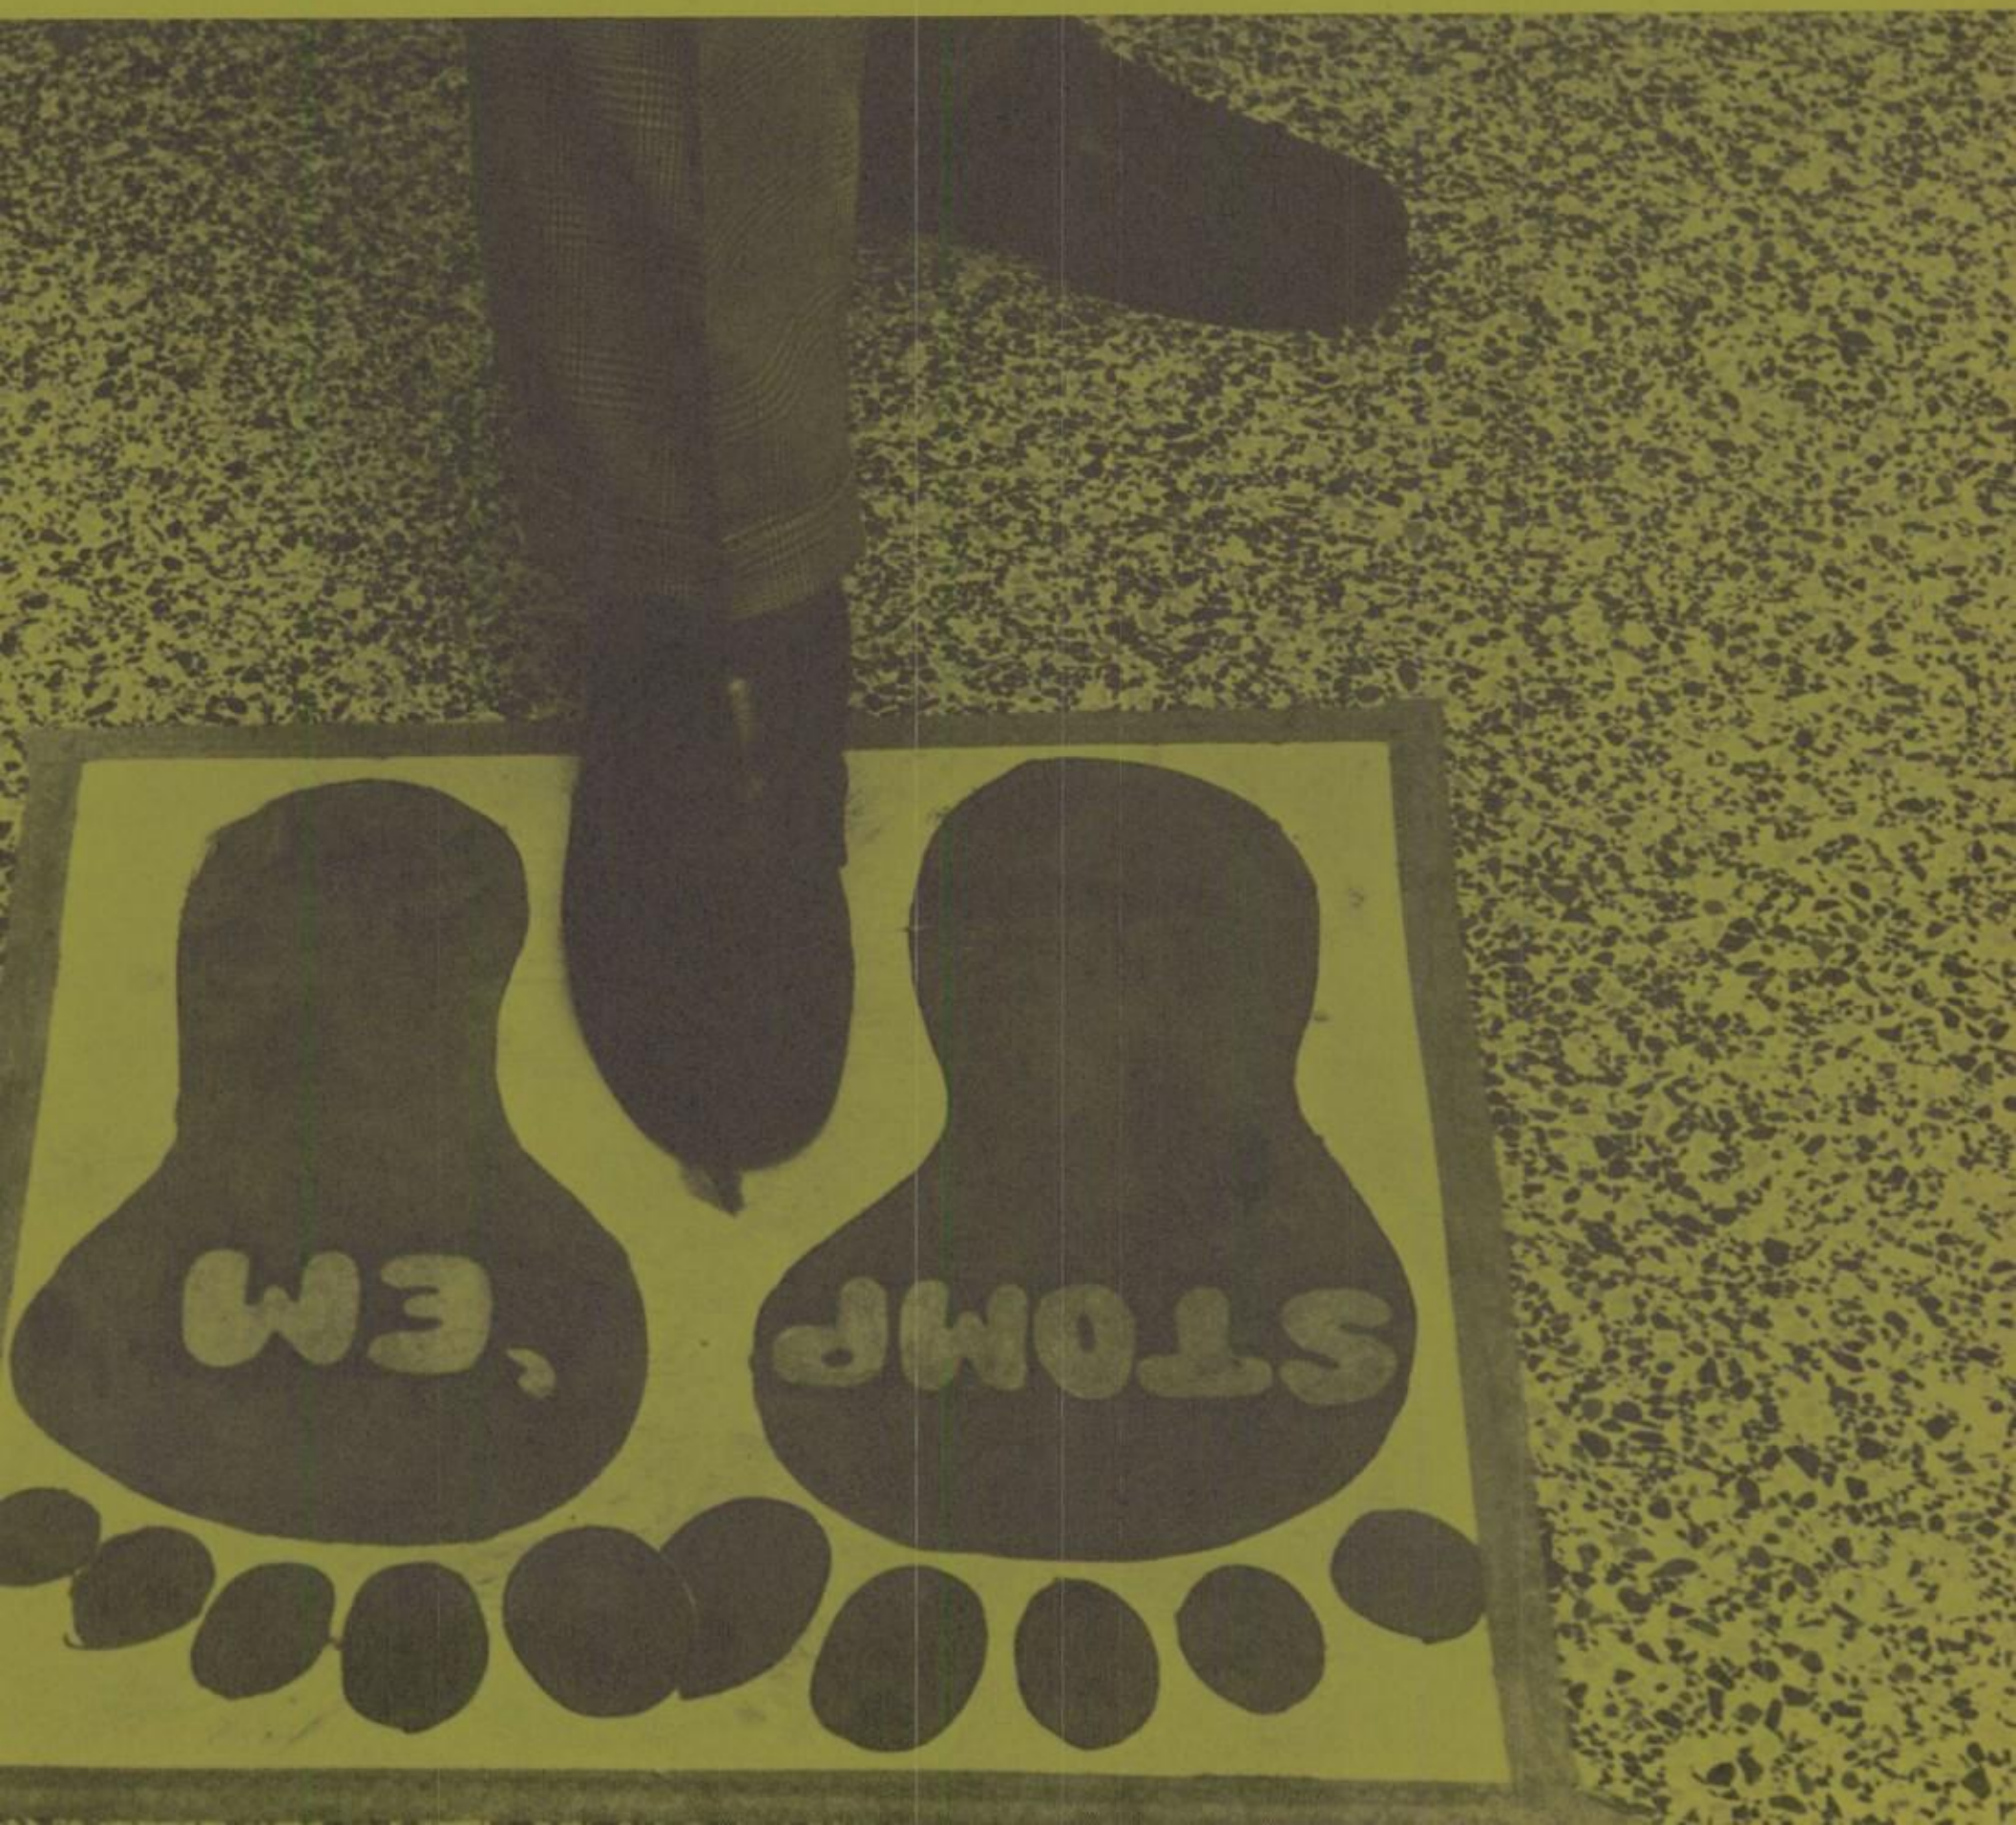

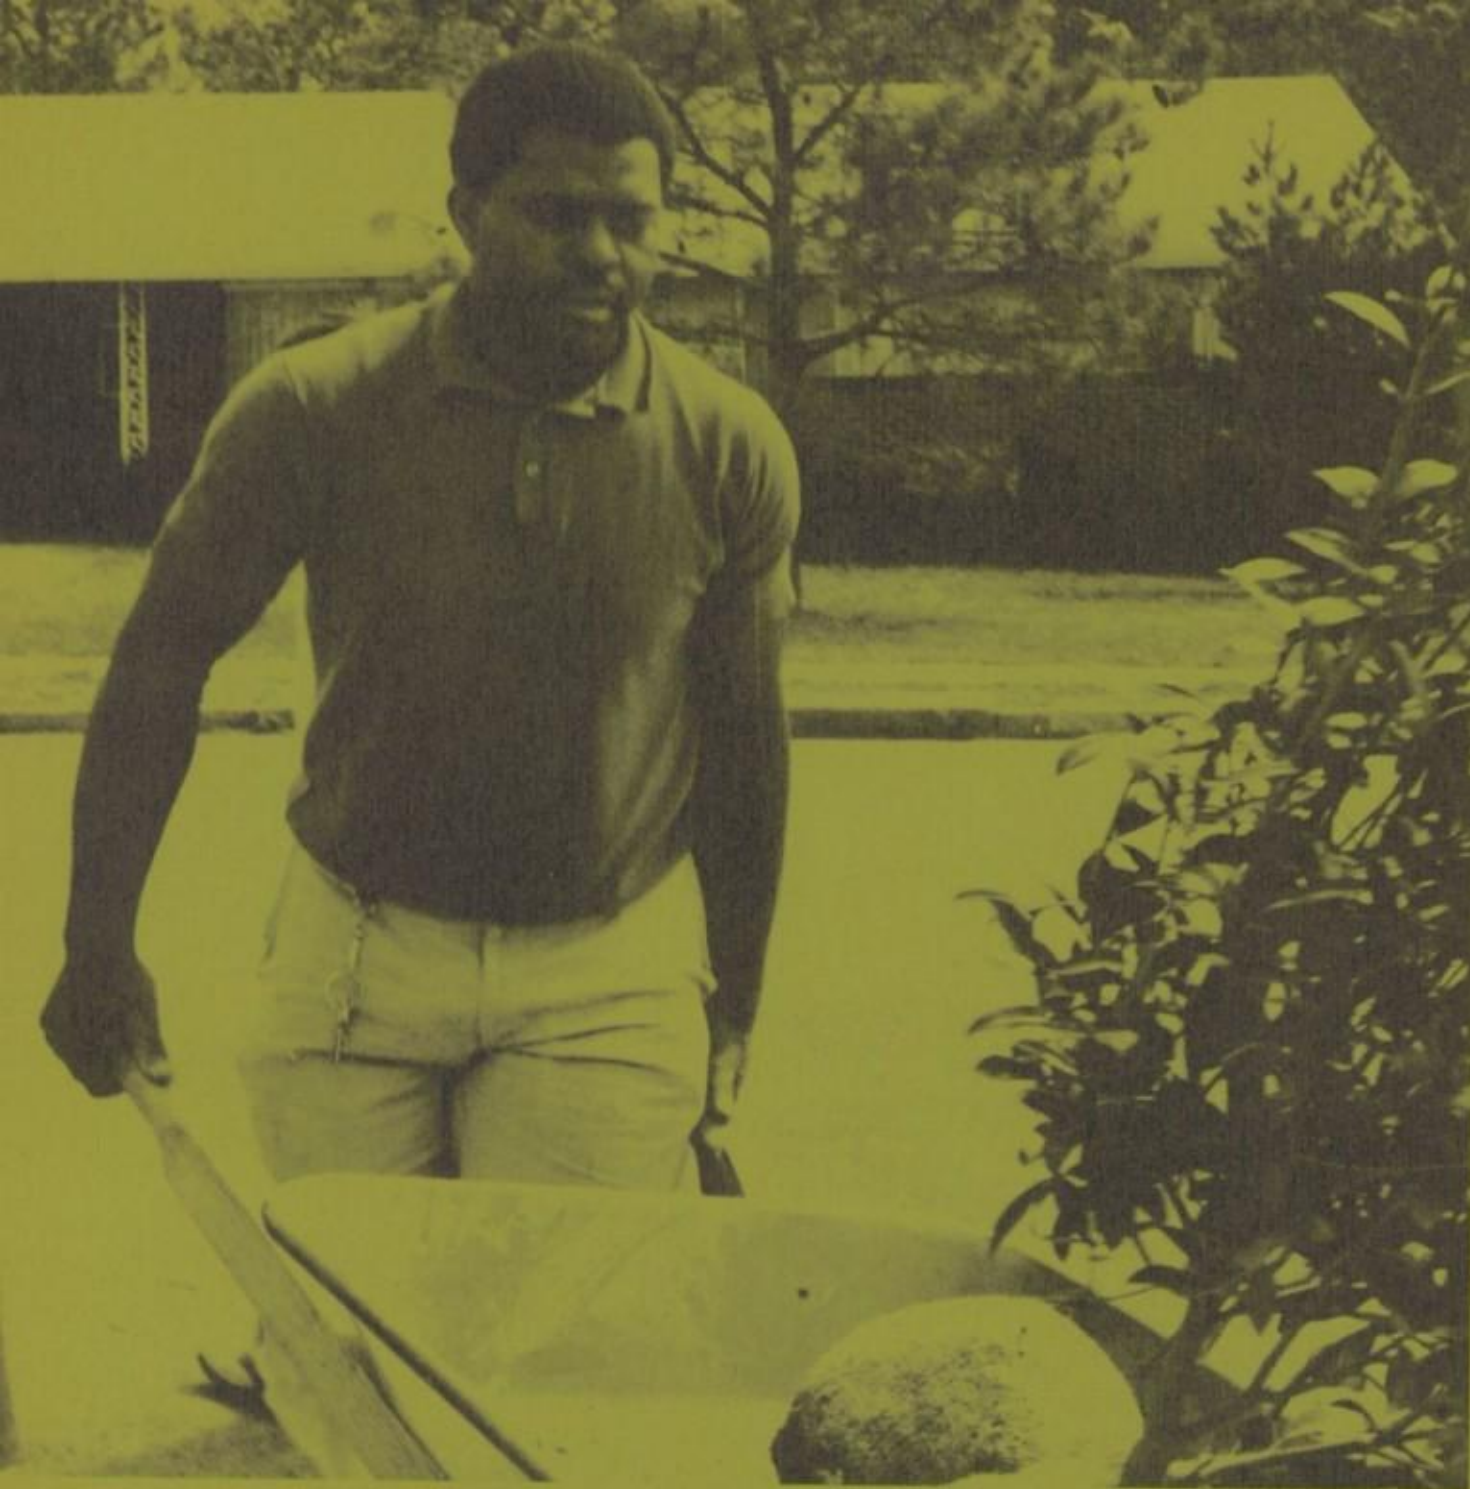

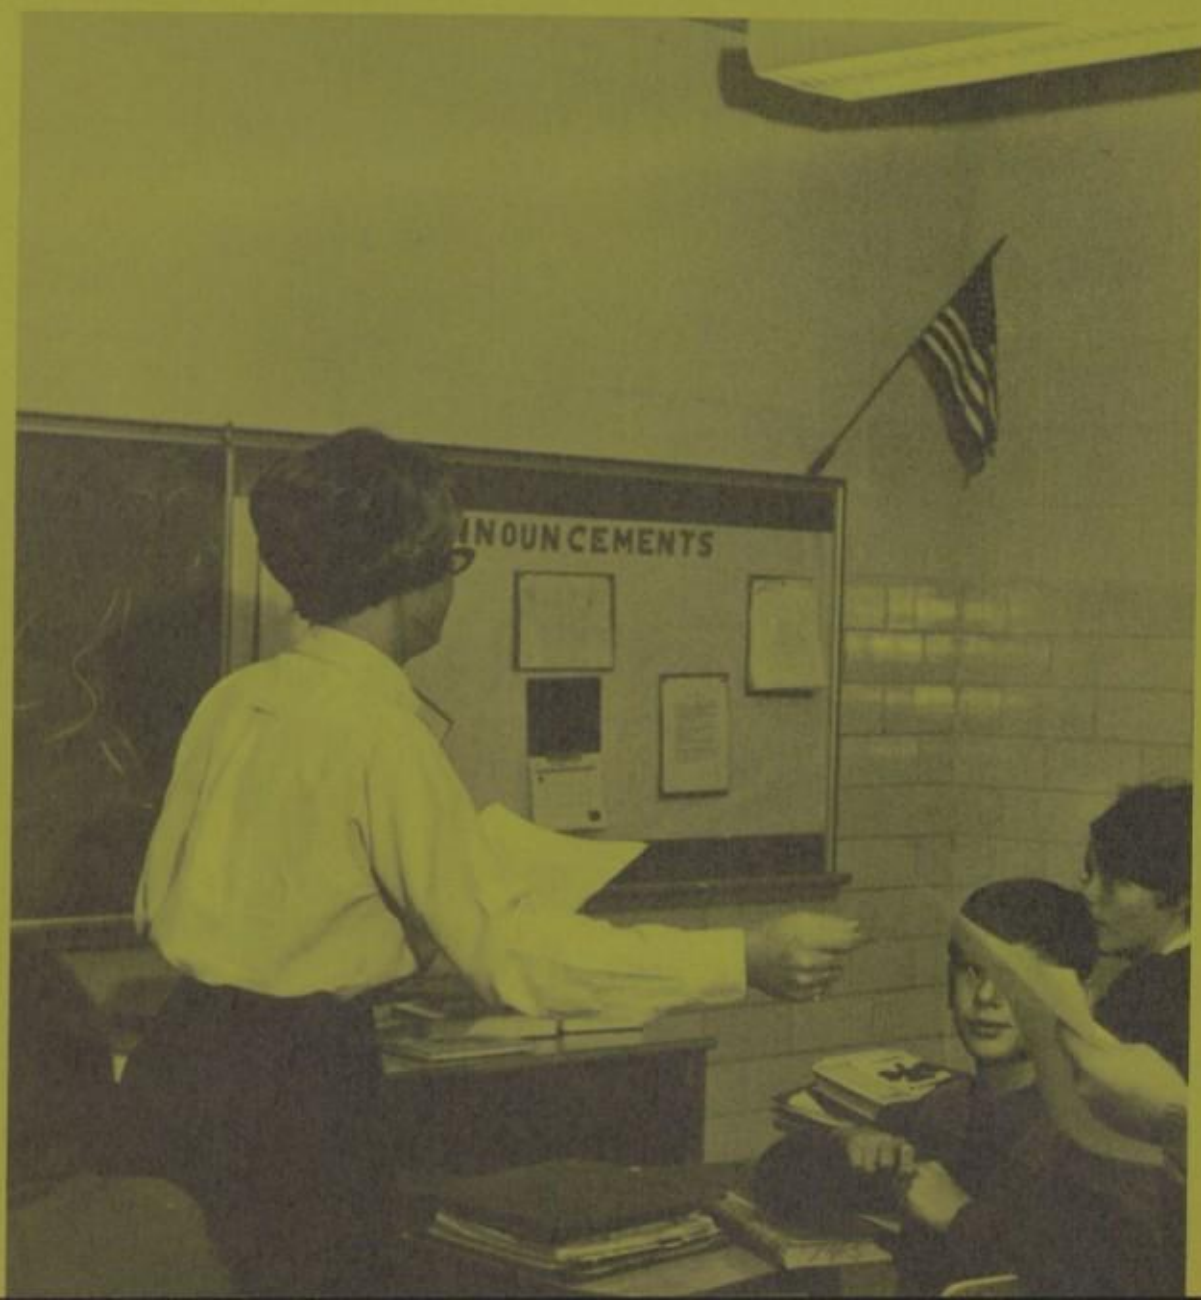

Sid

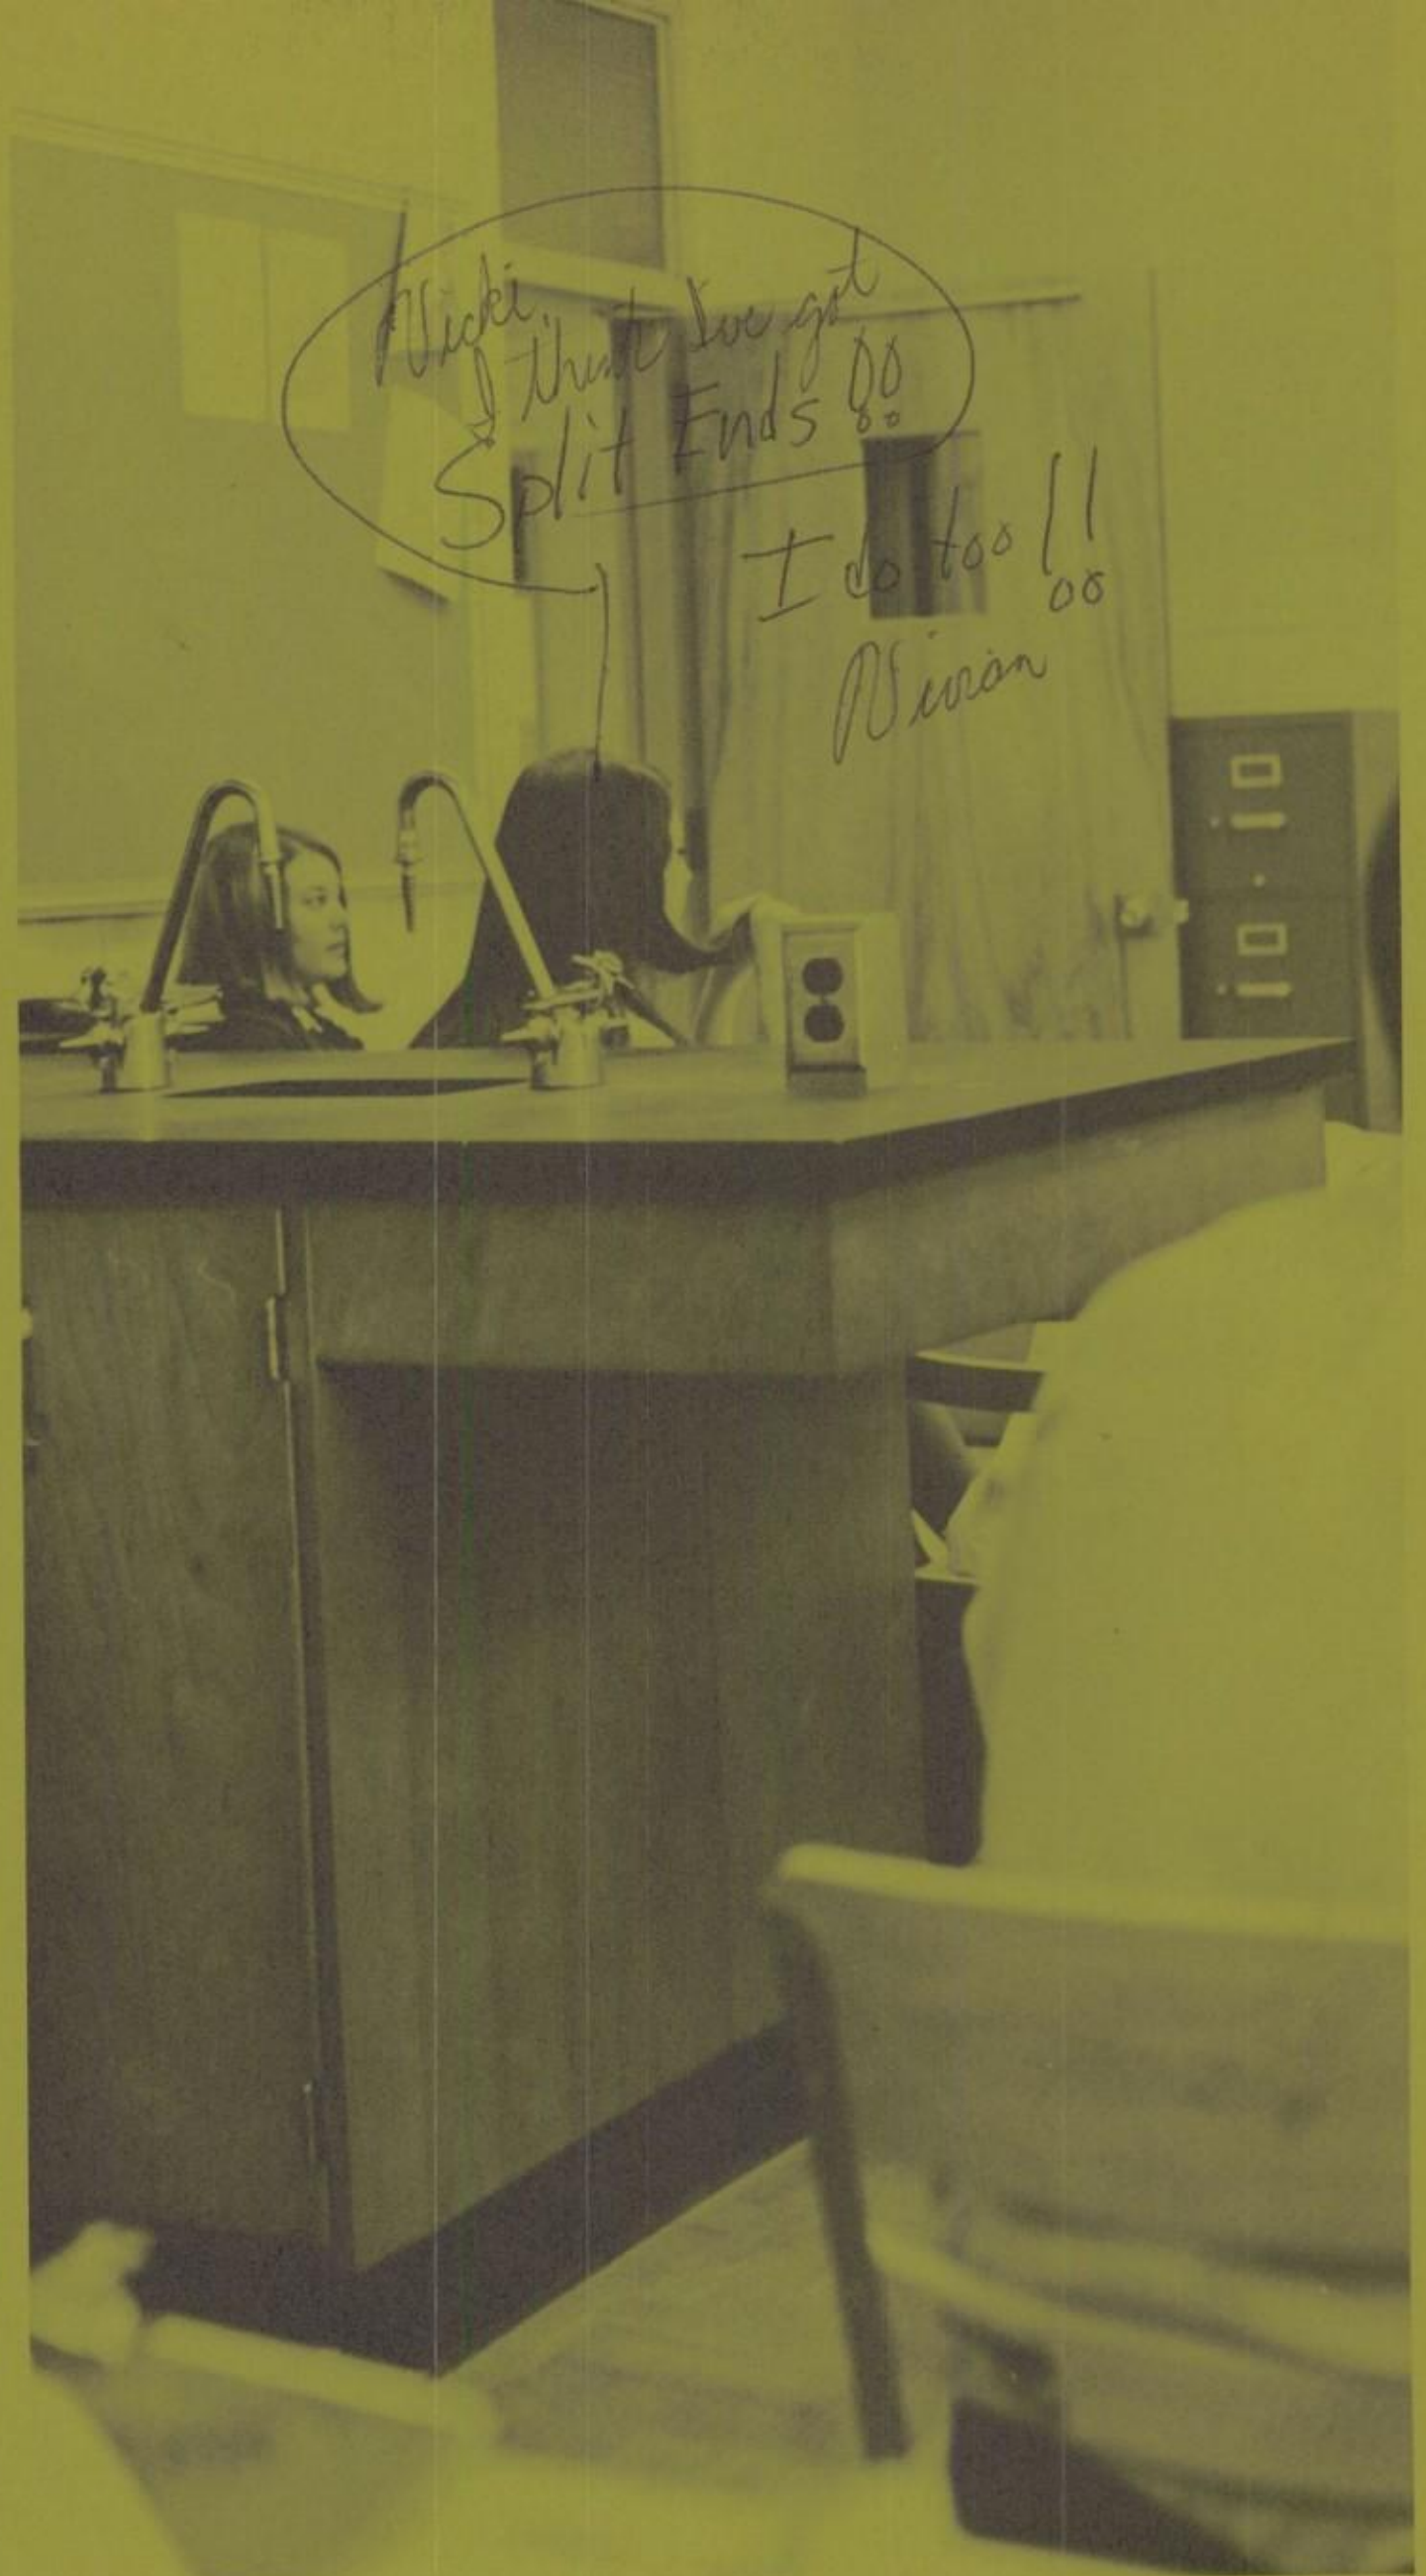

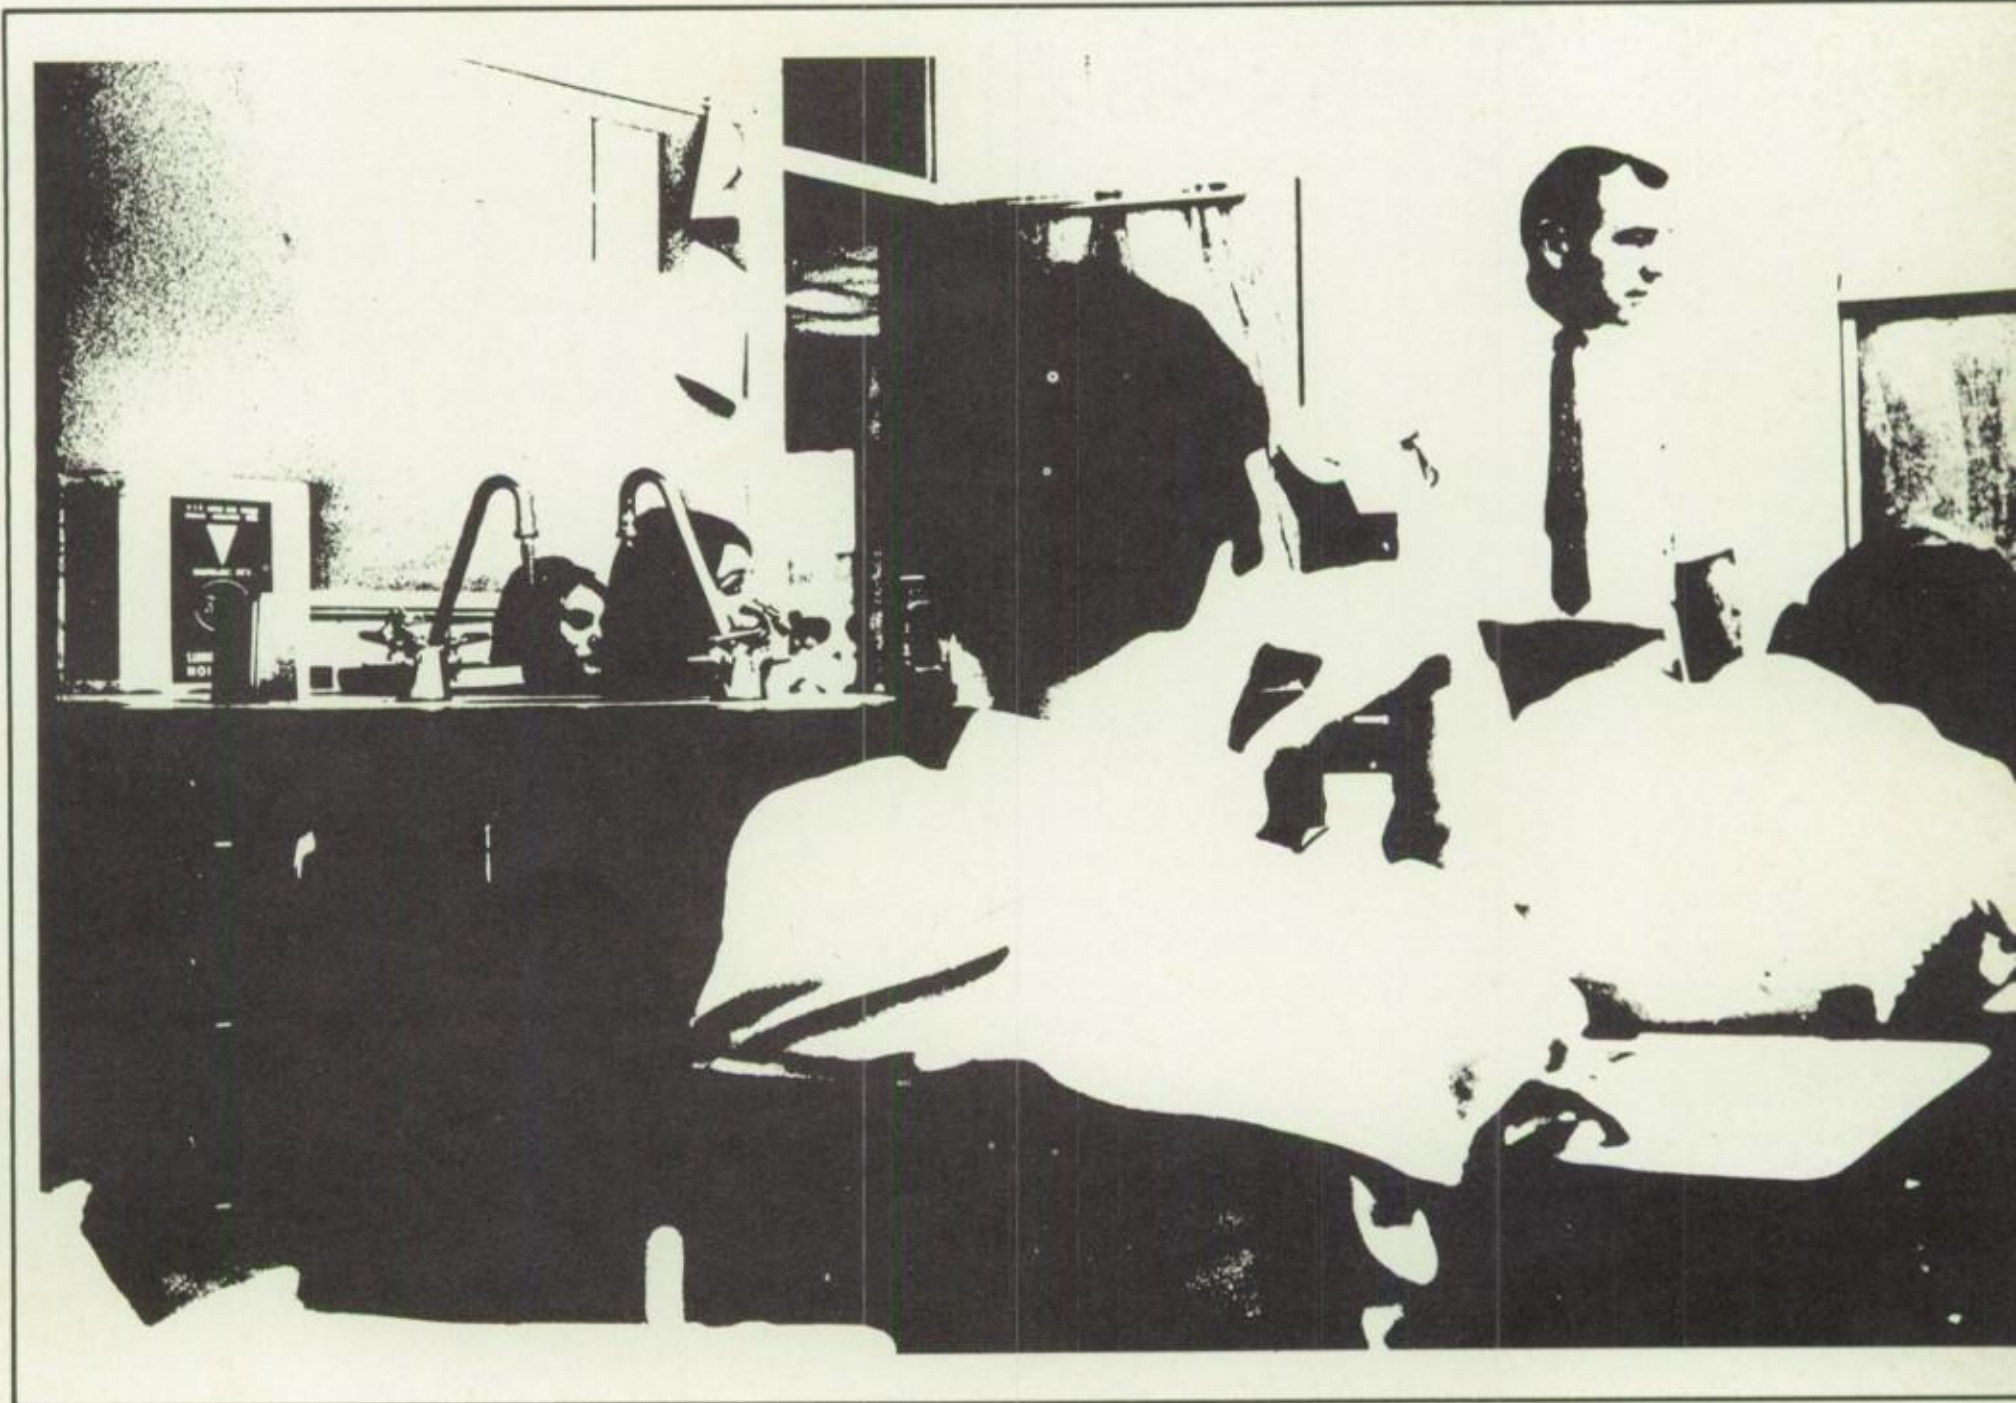

Survive, another
year is gone. It just
doesn't seem possible
that we'll be seniors next
year. We've been through a
heck of a lot all these years.
But we're still here so I guess we'll
survive. Be good and have a great
summer.

Love ya,
Denice

ADMINISTRATION

Jim Cherry, Superintendent

Superintendent's Message

When the Shamrock High School opened during the 1967-68 school year, the students, faculty, and administrative and service personnel began establishing the goals and building the traditions which will mold the history of the Shamrock High School.

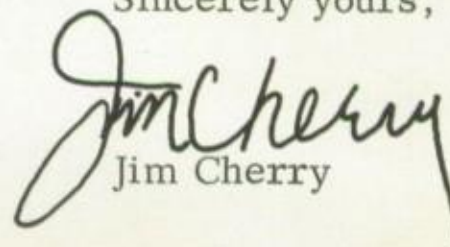

As the pacesetters in academic, athletic, and activity areas, you have had the responsibility for developing standards of excellence which will encourage participation and motivate achievement by student bodies of the future at Shamrock High School. The spirit, the desire, and the attitude which have been established by this student body and school staff will be reflected in the record and the accomplishments in the years to come.

This is a unique position of responsibility, and it has been important that each individual strive for those ideals which would set an example worthy of being followed.

Opportunities abound in the present, limited only by the student's motivation and desire. Today's technology demands that the individual be well educated, and at Shamrock High School you are laying the foundation on which you will build your further education and your careers.

It is a pleasure for me to wish for each of you happiness and success as you continue your education and in the years to come as you assume your roles as the citizens, the parents, the homemakers, the servicemen, the educators, and the professional and business men and women of tomorrow.

Sincerely yours,

Jim Cherry

Alma Mater *by* *Dede Fussell*

*Proudly standing on Mt. Olive
Rising to the sky,
Is the place we love so dearly
Noble Shamrock High.
Everyone will raise her colors
Green and white so true
Praise the Dragons from old
Shamrock
Bid old grads adieu*

*Down the halls of yearly
learning
Where we spent our days
Is our treasured Alma Mater
Where we find the ways
So thanks to all that she has
taught us
Love and friendship, too;
Hail to thee, our Alma Mater,
Hail, oh Hail to you.*
